

Think Speak Win: Discover the Art of Debate

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

THINK SPEAK WIN: DISCOVER THE ART OF DEBATE

Marshall Cavendish International (Asia) Pte Ltd. Paperback. Book Condition: new. BRAND NEW, Think Speak Win: Discover the Art of Debate, Gaurav Keerthi, Many books on persuasive speaking only teach you how to speak persuasively, but they don't teach you how to also think persuasively. Debaters tend to excel when they are put on the spot, because they know how to think fast, speak well, and win audiences. Think, Speak, Win: Discover the Art of Debate provides a first-of-its-kind comprehensive introduction to the basics of debating for young students as well as interested adults, in a light-hearted and interesting style. This book breaks down the skills of debating into simple, memorable, and easy-to-follow chapters, and even covers the basics of coaching a school team and judging a debate competition. The skills of debating can help you achieve greater success at work and school, and this book guides you through a memorable 6-step process to apply Debate-Thinking to situations such as interviews, essay writing, impromptu speeches, presentations, and even leadership and management. You will never be at a loss for words again!".
