

Sacred Passions: The Life and Music of Manuel De Falla

Filesize: 6.79 MB

Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

SACRED PASSIONS: THE LIFE AND MUSIC OF MANUAL DE FALLA

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Sacred Passions: The Life and Music of Manual De Falla, Carol A. Hess, The work of composer Manuel de Falla (1876-1946) ranges from late-romantic salon pieces to evocations of flamenco to stark neoclassicism. Yet his work has met with a variety of reactions, depending on the audience. In his native Spain, he is considered a leader in the avant-garde and the greatest composer in the Spanish cultural renaissance that extended from the latter part of the nineteenth century until the outbreak of the Spanish Civil War in 1936. In the United States his music was imported as part of the "Latin" music craze of the 1930s and 40s and arranged by pop artists and used in MGM musicals. Similarly enigmatic are the details of Falla's life. He never sustained a lasting, intimate relationship with a woman, yet he created compelling female roles for the lyric stage. Although he became incensed when publishers altered his music, he more than once tinkered with Chopin and Debussy. Despite insisting that he was apolitical, he ultimately took sides in the Spanish Civil War. All his life, his rigorous brand of Roman Catholicism brought him both solace and agony in his quest for spiritual and artistic perfection. In *Sacred Passions: The Life and Music of Manuel de Falla*, Carol Hess explores these contradictions and offers a fresh understanding of the life and work of Manuel de Falla. Building on over a decade of research on Spanish music, Hess examines his work in terms of musical style and explores the cultural milieu in which he worked. Biographical, historiographical, and cultural threads are explored against the compelling backdrop of early twentieth-century Spain, where Falla was a pivotal figure in a group that included not only his Spanish...
