PHONICS WITH THE ALPHABLOCKS: STARTING PHONICS

Pearson Education Limited. Mixed media product. Book Condition: new. BRAND NEW, Phonics with the Alphablocks: Starting Phonics, Joe Elliot, Jack Bell, The Phonics with the Alphablocks series is based on the highly popular CBeebies TV show giving a fun and entertaining way to learn phonics at home. Starting Phonics is the first of 3 packs in the series and introduces the initial letters a child would learn at school in phase 2 such as 's a t p i n m d'. Aimed at pre-school and reception-aged children who are learning to read, Phonics with the Alphablocks incorporates best-practice phonics teaching used in schools and will help young children develop engagement and confidence with reading and making words at home. The three packs collectively give you everything you need to introduce your child to the 44 most basic phonics sounds - so they can start to learn to read, and you can be reassured the letter sounds are how they are taught in school. This pack includes 3 reading books, a CD-ROM (containing 3 eBooks and one Alphablocks TV episode) and a Parent Guide showing how to get the most out of these resources. Suitable for children aged 3-5 years.
