Fiery Edge of Steel

By Jill Archer

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, Fiery Edge of Steel, Jill Archer, "Lucifer and his army triumphed at Armageddon, leaving humans and demons living in uncertain peace based on sacrifice and strict laws. It is up to those with mixed demon and human blood, the Host, to prevent society from falling into anarchy." Noon Onyx is the first female Host in memory to wield the destructive waning magic that is used to maintain order among the demons. Her unique abilities, along with a lack of control and a reluctance to kill, have branded her as an outsider among her peers. Only her powerful lover, Ari Carmine, and a roguish and mysterious Angel, Rafe Sinclair, support her unconventional ways. When Noon is shipped off to a remote outpost to investigate several unusual disappearances, a task that will most likely involve trying and killing the patron demon of that area, it seems Luck is not on her side. But when the outpost settlers claim that an ancient and evil foe has stepped out of legend to commit the crimes, Noon realizes that she could be facing something much worse than she ever imagined".

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
