By Deceased Theodore Dreiser

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Life, Art and America His end on St. Helena (not the code Napoleon, or the hieratic and ultra economic arrangement of his material forces) was supposed to have achieved something for society! Similarly Socrates and his death were descanted on as having almost a religious, if not a Christian import. His death was painted as having been brought about by his higher moral views - not his private deeds! The true significance of the man as illustrated by the exact details of his life were utterly ignored. I could go on by the hour, the day, the week. Personally, because my father was a Catholic, and I was baptized in that faith, I was supposed to accept all the dogma, as well as the legends of the Church, as true. In the life around me I saw flourishing the Methodist, the Baptist, the United Brethren, the Christian, the Congregationalist, the what-not churches, each one representing, according to its adherents, the exact historic and truthful development and interpretation of life or the world. As a fourteen...
