

Facing Your Fears: Facilitator's Set: Group Therapy for Managing Anxiety in Children with High-functioning Autism Spectrum Disorders

By Judith A. Reaven, Audrey Blakeley-Smith, Shana Nichols

Brookes Publishing Co, United States, 2011. Paperback. Book Condition: New. Or Lifelong Academic and Social ed.. 277 x 216 mm. Language: English . Brand New Book. Anxiety is one of the biggest challenges faced by children with high-functioning autism spectrum disorders and Asperger syndrome. Help them conquer their fears--and participate more fully in home, school, and community life--with this innovative group therapy program for children 8-14 years old and their parents. Ideal for small groups of 4-5 children but also effective in one-to-one therapy, this proven, ready-to-use program is a must for mental health professionals who work with children and families in clinical settings. Developed to address the specific needs and challenges of children with high-functioning ASD and Asperger syndrome, Facing Your Fears works because it targets specific fears or worries that interfere with day-to-day functioning at home and school actively involves parents in every session--the key to helping children make progress and ensuring that families provide skillful, sensitive support is backed by more than 7 years of funded research, including two clinical trials with positive outcomes engages children with memorable, age-appropriate strategies for defeating anxiety, from creating worry bugs to filming movies of themselves facing their fears gives children...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
