R Ian Lloyd. 1 Cloth(s), 2009. hard. Book Condition: New. As she did in Venice: A Personal View, Andrea Baldeck again presents her gorgeous black and white photos in an evocative album format, this time from four journeys covering thousands of miles across northern India into western China, offering dramatic images up to 22 inches across. She gives us a window onto an ancient culture, bound by shared ethnicity and religion and challenged by daunting geography. Portraits, landscapes, architecture, and still-life images convey the essence of this mountain life, enduring despite the forces of geopolitics, migration, and modernization. In several brief essays Baldeck invites the viewer to imagine certain aspects of life and travel in this remote, starkly beautiful region. 242.
