Divine Trinity Films. Paperback. Book Condition: New. Paperback. 280 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Twenty-six years after World War III, Madeline, who lost her sight in a fire as an infant, lives a healthy life in a small Utopian community built as an anti-thesis to what initially caused the war, the history of which has been romanticized to keep the knowledge of sin, corruption and vice from the consciousness of its kin. When Grayland, a stranger from the outside world, stumbles upon the community, Madeline becomes intoxicated by his presence, sensing a connection to him that she doesn't understand. When he offers her the chance to experience the world she so desires to be a part of, Madeline follows him into a truth she's not at all ready to accept. Spiritually resonant and genuine in its conviction, *Year of the Songbird* deals with the power of addiction, sexual and spiritual awakening, the corruption of labels, how outside influences can devour even the strongest of convictions, and how weakness and vice are more easily attained than virtue and happiness. When I was given the opportunity of sight, I wasn't afraid of what I would see; I was afraid of what I would feel. And what I felt was a burning need to return to the fruit of my blindness, for only in the dark was I truly able to see. *Madeline of the Ark*, R. H. 28 Contains strong language, adult themes and adult situations. Parental discretion is advised. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
