## ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Cyclopaedia Bibliographica: A Library Manual of Theological and General Literature, and Guide to Books for Authors, Preachers, Students, and Literary Men The want of an extensive and well-digested bibliographical work on Theology and kindred subjects has long been felt as a great inconvenience both by authors and readers. Owing to this deficiency in our literature, authors are deprived of much assistance which they would otherwise obtain in perfecting their works, and readers have often to be content with superficial books when such a guide would at once direct them to the best sources of information. In the Cyclopaedia Bibliographica an attempt is made to supply this desideratum. It is formed on a plan calculated to make known the productions of former ages, as well as those of the present time, in the easiest as well as the most exact manner, the result of many years study of the best bibliographical systems and of the wants of literary men. Many errors have been introduced into bibliographical works, owing to their being compiled from second-hand sources, and not from an actual inspection of the books described. The greater part of the present work is the result of a careful inspection, often leaf by leaf, of the books contained in the Metropolitan Library, founded by the compiler in January 1840, in order to supply a want greatly felt for an institution, where, for a (mail annual subscription, members could obtain at their own residences the use of books of a superior order, ancient as well as modern, especially in Theology, and in the various languages, - an institution which continues to be of essential use in promoting the study...
