VIKU AND THE IVORY THIEVES A STORY FROM THE FORESTS OF INDIA

Bo-Tree House. Paperback. Book Condition: New. Lynn Wolfe (illustrator). Paperback. 52 pages. Dimensions: 10.0in. x 8.0in. x 0.1in. Viku and the Ivory Thieves is the third installment in the Viku adventure series begun with Viku and the Elephant and continued in Viku to the Rescue. Viku lives at the edge of a forest in India. He becomes friends with an elephant by saving him from a snake. The elephant makes only two sounds, a happy trumpet and a sad cry, but the two friends understand each other very well. Stories of their adventures together unfold quickly. At the end of Viku and the Elephant, Viku and Haatee escaped ivory poachers, and left them on a tiny island surrounded by crocodiles. In this continuation of that story they realize the forest is not safe as long as poachers and ivory thieves are free. Viku and Haatee help the police round up and capture clever ivory thieves. These Viku stories of friendship and adventure tell us about life in another culture. This book works well as a read-aloud story for young children, is suitable for early readers (2nd and 3rd grades), and is an excellent chapter book for 4th and 5th graders. Praise from National Award Winning Teachers Debu Majumdar captures the true spirit of children everywhere and their passion for justice as we follow Viku on his journey to protect his friend and their precious land. Young readers will be captivated by the mystery and suspense of this story brought beautifully to life by Lynn Wolfes rich illustrations of Indias land and people. My students were swept up in Vikus quest for justice in the first two books and again will love reading and discussing the challenges of Vikus journey in Viku and the Ivory Thieves.
