Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, How I Escaped a Girl Gang: Rolling in a London Girl Gang, Chyna, 'A brilliant read, raw in its emotions and a real eye-opener.' Martina Cole From a young age, Chyna saw people all around her in gangs. They had the status, the look and the money. So when girls from a rival school started to bully Chyna and her friends, they decided to take control in the only way they knew how. But the deeper Chyna got into this world, as she became involved with boys and fell in love, the more she discovered the darker side - the vicious drug dealers, the beatings, the guns. It would take a devastating tragedy - one that ripped apart from her world - before Chyna found the courage to leave gangland behind once and for all. News of the World 'A scary insight into the lives of youngsters born into poverty in Britain.' Sun 'This isn't an expose to ease middle-class guilt. We're not asked to pity Chyna.
