A Devoted Son David Cayle, back from a tour of duty with the Virginia militia, is determined to mend the breach he created with father. Taking the man into the backcountry to rescue his wayward sister, however, was not what he had in mind. Annie's insistence on going makes matters worse, until it becomes obvious that leaving her behind is more dangerous than taking her along. Or is it? A Harrowing Journey A young nation fights for its destiny, and the backcountry is no place for the faint of heart. Only the stoutest souls and strongest minds endure. But can David keep his promises? And what secrets is Annie still keeping? This is the second installment of the Children of the Light Series.
