Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

WALNUT GROVE

Texas Tech Press,U.S. Paperback. Book Condition: new. BRAND NEW, Walnut Grove, Jane Gilmore Rushing, "Walnut Grove", the first of Jane Gilmore Rushing's six West Texas novels, is the story of John Carlile's passage into manhood when the twentieth century was young. His story is intimately connected to the growth of the town of Walnut Grove and to the good and evil that are always present. In those days cotton was taking the place of cattle, and farmers like John's father gambled that they could live off the soil. When a prolonged drought threatens to make the struggle hopeless, John's passionate attachment to the land is underscored by the fear that he might have to leave it. The establishment of the first school opens new horizons for John and also sharpens his sensibilities. The building of the railroad brings the greatest change of all. For some it means prosperity. But with the arrival of the work gangs come temptation, tragedy, and conflict, all touching John closely. On the very day that 'Walnut Grove' celebrates the opening of a through line, a culmination of heroic and disillusioning events forces John to a crucial decision about his life and his future. Jane Gilmore Rushing, a West Texas native, produced seven novels between 1963 and 1984, building her stories around themes few West Texas writers had dared to tackle. Although Rushing thought of herself as a regionalist, her fiction transcends region in illuminating what has motivated and sustained the Midwestern frontier's settlers and their descendants.
