Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Christian Socialism Dear Sir, I dedicate to you this little volume on Christian Socialism because you are the oldest surviving member of that movement in England, and one who has never ceased from the first to believe and to teach others to believe in the eternal principles of Truth, Hope, and Love in the pursuit of a higher social ideal. One of the original promoters of co-operation, itself the beloved offspring of Christian Socialism, its legal adviser in times when as yet it was unprotected by the law, you have never since ceased to impress upon its members the higher law of Christian love as a paramount force in society. While others have lost faith in their fellow-men and voluntary effort, you have continued, hoping against hope and with munificent trustfulness in principle, to advocate the cause of co-operative union on higher than commercial principles, to accentuate the importance of the moral and religious factors in co-operative industry, and to aspire after a union over widening into that all-embracing federation to which the social reformer looks forward.
