2016. Hardcover. Book Condition: New. 232 ABOUT THE BOOK:- This book is the outcome of a major research project conducted in rural Tamil Nadu with the support of the Indian Council for Social Science Research on the conditions of the elected women representatives and their performance in the rural local bodies, specifically on the critical developmental issues. The whole research investigation was undertaken in the backdrop of the empowerment framework developed by Ruth Alsop. The data, thus collected, have been analysed by using appropriate statistical tools. From the analysis one could infer the conditions of the elected women representatives, state of affairs at the institutions of local governance and the problems faced by the elected women representatives.
