The Newbery-winning novel in Cynthia Voigt's timeless series is repackaged with a modern look. When Momma abandoned Dicey Tillerman and her three siblings in a mall parking lot and was later traced to an asylum where she lay unrecognized, unknowing, she left her four children no choice but to get on by themselves. They set off alone on foot over hundreds of miles until they finally found someone to take them in. Grams rundown farm isn't perfect, but they can stay together as a family which is all Dicey really wanted. But after watching over the others for so long, it's hard for Dicey to know what to do now. Her own identity has been so wrapped up in being the caretaker, navigator, penny counter, and decision maker that she's not sure how to let go of some responsibilities while still keeping a sense of herself. But when the past comes back with devastating force, Dicey sees just how necessary and painful letting go can be. This item ships from multiple locations.
