Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. This book highlights attainable spiritual virtues in modern times. To give body and force to the narrations on every topic, authentic information about experiments conducted by eminent world scientists and clairvoyants is included instead of abstract reasoning/arguments. The book will fascinate the young and the old, Indian and foreigner, Hindu and non-Hindu alike. Cultural symbols are emblems of divine and human sovereignty over temporal life. A symbol must necessarily suggest more than what it expresses. Every symbol is pragmatic like a tiny seed which proclaims its potentiality of becoming a blooming tree. A careful look at the symbols opens up a vista of knowledge and the success achieved in revealing the mysteries of Nature in Universe. Printed Pages: 192.
