

Pavements and Materials: Characterization, Modeling, and Simulation

By Zhanping You, Ala R. Abbas, Linbing Wang

American Society of Civil Engineers. Paperback. Book Condition: new. BRAND NEW, Pavements and Materials: Characterization, Modeling, and Simulation, Zhanping You, Ala R. Abbas, Linbing Wang, This "Geotechnical Special Publication" contains 16 papers concerning a variety of timely issues in pavement mechanics. Topics include the characterization, modeling, and simulation of asphalt mixtures, asphalt pavements, and concrete mixtures. Eight of these papers were submitted for publication only, while the other eight were presented at the Symposium on Pavement Mechanics and Materials at the 18th ASCE Engineering Mechanics Division Conference held June 3-6, 2007 in Blacksburg, Virginia. Topics discussed include: modeling and simulations of asphalt concrete; interactions between aggregates, mastics, and voids; use of finite-element-method (FEM) and discrete-element-method (DEM); continuum approaches including nonlinear viscoelastic analysis and temperature dependency; pavement stress and strain analysis; laboratory characterization of modified asphalt concrete; pavement fatigue analysis; tire-pavement interaction; and, coefficient of thermal expansion on concrete for rigid pavement design. "Pavements and Materials: Characterization, Modeling, and Simulation" will be valuable to geotechnical engineers, pavement engineers, and all those involved in the field of pavement mechanics.

Reviews

This publication is great. I have study and that i am sure that i will planning to read once more again in the foreseeable future. You will like how the article writer write this publication.

-- Dr. Uriel Kovacek

This created ebook is great. it was writtern very properly and useful. Its been printed in an exceedingly easy way in fact it is just right after i finished reading this pdf where basically modified me, alter the way i think.
