Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

PROPHETS: 101

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Undertaking the treatment to the prophetic today is a bold step. By now one would think that all or most of what can be said on the ministry has been said. But, that would be a mistake and Prophets 101 proves it. This book gives newcomers and trainers an excellent orientation to the prophetic. And, it is quite useful for those who want to refresh themselves on the ministry. Jonathan Ferguson has impressively delivered broad based teaching on prophets and the prophetic that immediately enlightens their spiritual and ministerial understanding. What every young prophet must know to get the grab hold of this ministry is in this book. Not only does he brilliantly capture its core attitudes and actions but he does so from highly impactful vantage points. Prophets 101 addresses the primary and essential ideas of prophetic service simply but profoundly. In it, Jonathan makes the prophetic s most difficult and obscure theories graspable and doable. For example, the way he frames his insights on prophetic history, giftings, office, and mantle more than informs or instructs his readers, it equips them, which is the goal of all good writing. His approach gives prophetic trainers and educators who have the privilege of ushering new ministers into this ministry, whether to the gift or the office an effective tool to use to do so. Almost effortlessly they can adapt this work to their existing courses and use it as a main textbook. Also, this work will appeal to prophetic teachers who will find its easy to read yet richly articulated wisdom well suits their developmental ends. The book s core knowledges prepare its readers for more advanced study of...
