Brand New Book ***** Print on Demand *****.Physical and chemical analysis of a glowing ring soil residue allegedly left behind by a UFO hovering above the ground is presented. The analysis results strongly implicate a genuine UFO to have been present and that it was exhibiting an unusual luminescence technology. An overview of the current UFO situation is also presented, along with a discussion of why scientific journals have been reluctant to publish the analysis and its data. The Foreword to the book is by Dr. Michael Swords, who has himself previously been involved with collating all other analysis data from this famous UFO case.
