Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Passing of the Old Order in Europe At the moment I begin this book I see before my eyes two pictures. I see myself on a foggy afternopr, some time in 1915, coming home from the hospital where I worked, and thinking - as I was always thinking, - of the wounded men who were being sent by thousands and thousands to the city (Kief) every day from the front. To me the war seemed a strange puzzle, impossible to comprehend. I could not understand the fighters, I could not understand ourselves who patched thepm up and sent them back to fight. We were all helping to add to the perplexity of this strange situation. We, Russians, were fighting to defend our country, to help the Tsar s government to win a victory; and it was quite probable that we should later hear the Tsar say: You had been protesting! You had been fighting against us before the war! You see now how splendid a victory we have won. Could a bad government win like this? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
